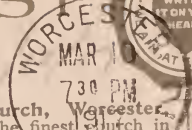
ST. PAUL'S CATHOLIC CHURCH, WORCESTER, MASS. 64315

POST CARD



St. Paul's Catholic Church, Worcester, Mass., acknowledged to be the finest church in Worcester, is built of dark granite and is 168 feet long, 91 feet wide and 96 feet to the apex. Its corner-stone was placed July, 1869, its superstructure in 1874, and its tower erected in 1889.

Pub. by J. I. Williams, Worcester, Mass., U. S. A.

THIS SPACE MAY BE USED FOR MESSAGE

Dear Ed:

Many thanks for the lovely present I received the day before my birthday. Sorry I couldn't be there.
